Welcome to Parkside's Secure Internet Email

- Next, you will enter the portal where you can view and send messages. It will look similar to the screen below. Click the message you wish to read.

Welcome to Parkside's Secure Internet Email

- Your message is displayed, and should look similar to the screen below. Reply to it by clicking "Reply", located just above the "Date" field in the gray area on the left hand side.

The screenshot shows a Windows Internet Explorer browser window displaying the CypherSMART Portal. The address bar shows the URL <https://cyphersmart.electricmail.com/>. The page title is "electricm@il". The user is logged in as "JaneDoeTulsa50@yahoo.com". The interface includes a navigation menu with options like "View Message", "Compose Message", "Messages", "Personal Details", "Password", "Display Options", "Help", and "Logout".

The main content area displays an "Inbound Message List" with the following entries:

Date/Time	From	Subject
Fri Feb 19 ...	nlgould@parksideinc.org	News From Parkside (secure)
Fri Feb 19 ...	nlgould@parksideinc.org	Important Message from Parkside (Secure)

The selected message is displayed below the list. The subject is "Important Message from Parkside (Secure)". The sender is "Nita Gould" (nlgould@parksideinc.org) and the recipient is "JaneDoeTulsa50@yahoo.com". The message is dated "Fri, 19 Feb 2010 12:28:11 -0800". The subject line indicates it is an "Important Message from Parkside (Secure)".

The message body contains the following text:

Dear Jane Doe,

This is an important message to you about Parkside.

We are excited to announce that Parkside now has the ability to send secure internet email messages.

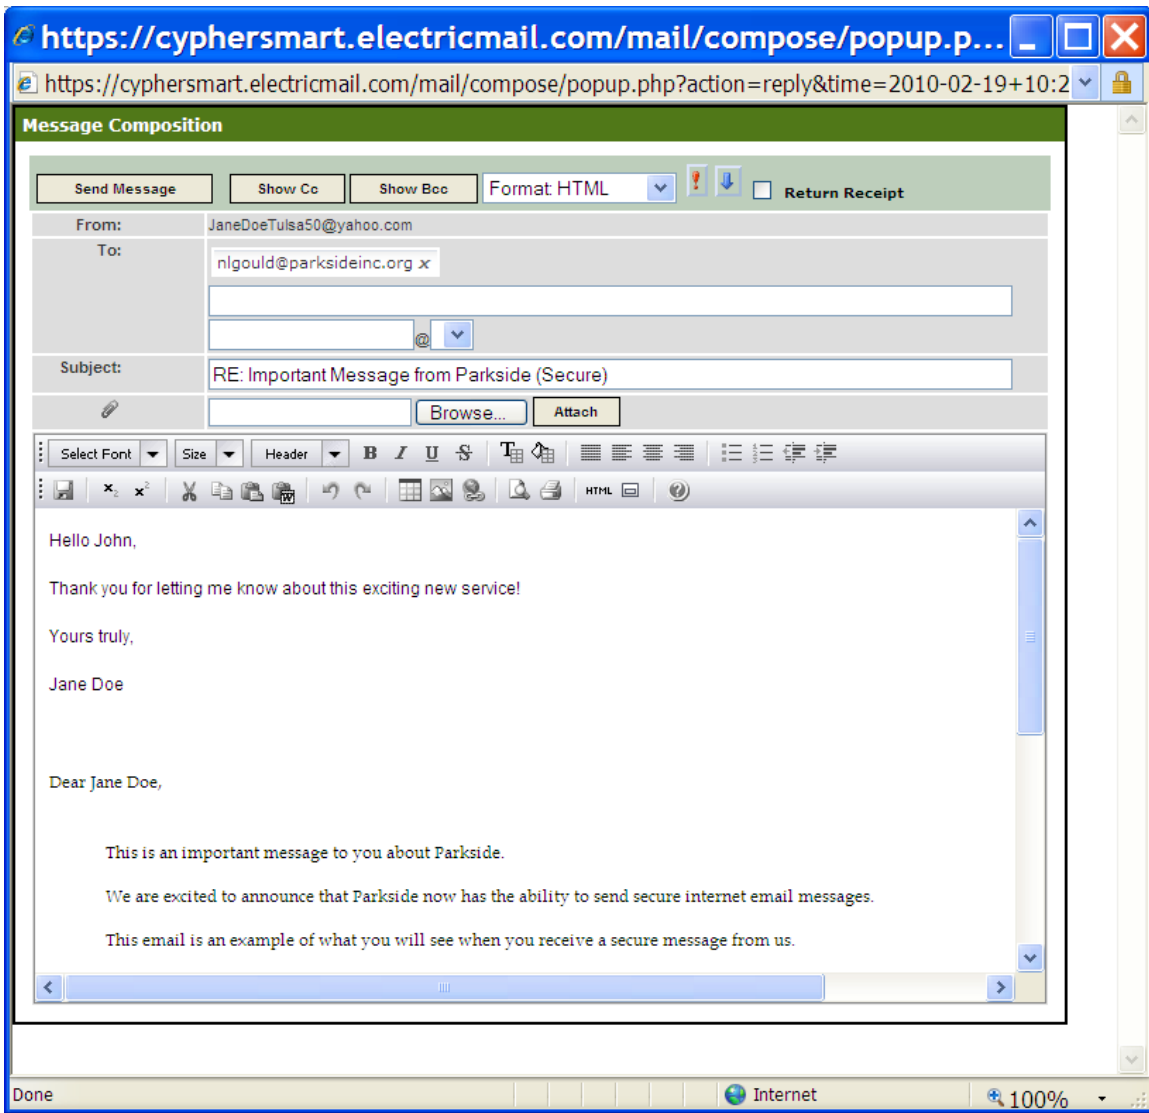

This email is an example of what you will see when you receive a secure message from us.

We hope you find this new service to be beneficial and customer friendly!

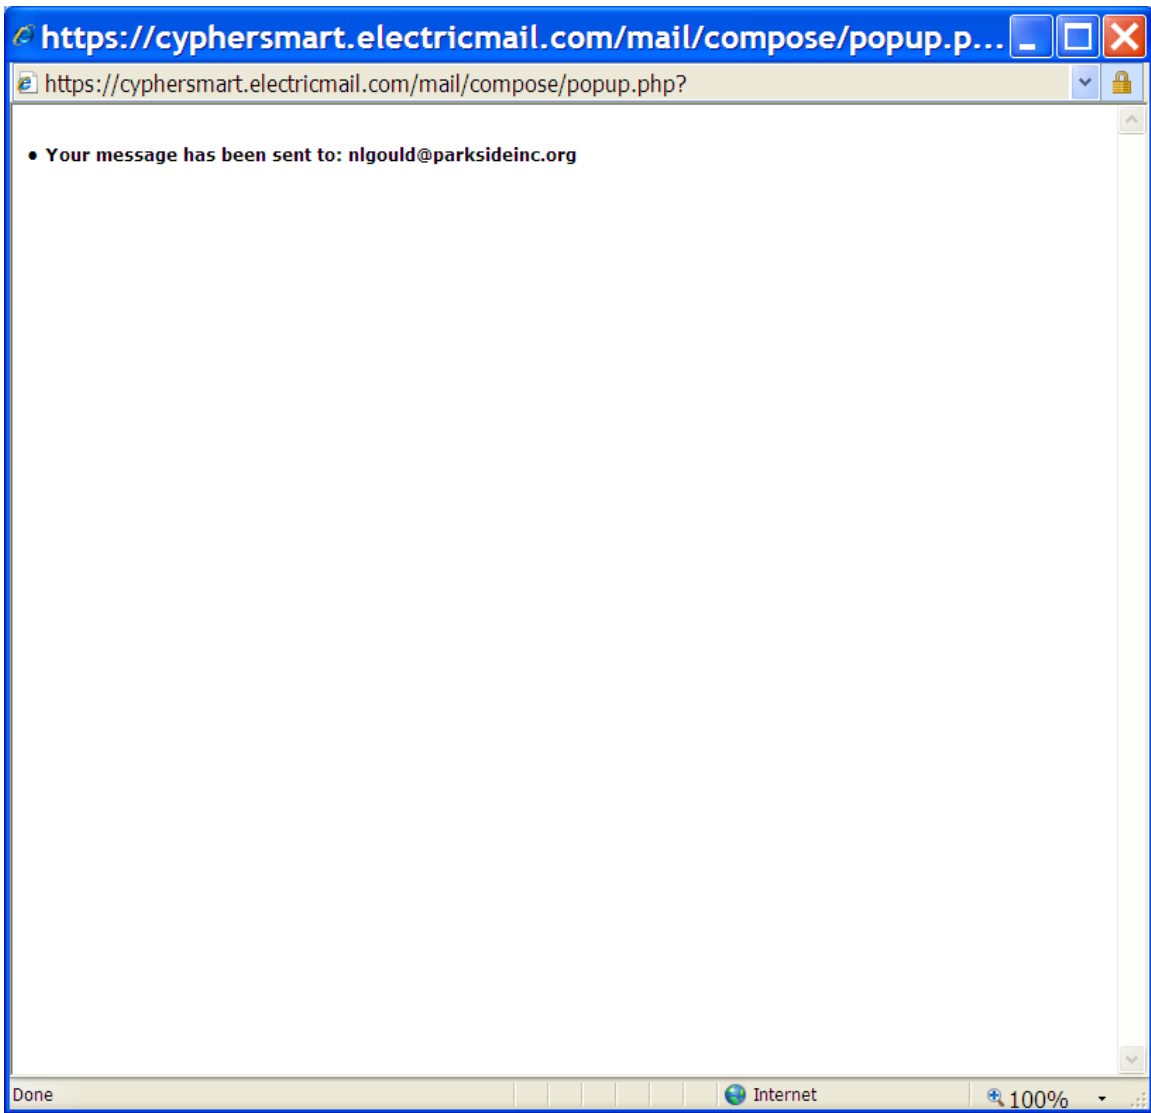

John Doe
Parkside Inc.
1620 East 12th Street
Tulsa, OK 74120
Voice: 918-582-2131
